Krazy World is a zoo but a leisure park as well. There are animals from different parts of the world and it is a great place to visit and enjoy for families and children.

As far as animals are concerned, it has two different zones: Amazonia, where you will find crocodiles, snakes and turtles and where several live shows take place weather and nice temperatures permitting.

The other animal zone is the Farm of Exotic Animals that includes llamas, deer, kangaroos and camels. The leisure park also offers two different mini-golf courses. Krazy Golf is a 18-hole golf course around a lake, while Jungle Golf invites you to travel back in time to the Dinosaur era. The Popular fair has a roller-coaster, a bumper car track, a phantom train and an imposing giant wheel, offering an unrivalled panoramic view over the park and the region.
